FAB-U-LOUS KITCHEN DECORATING IDEAS FROM DESIGN IN A BAG

This is one of those “Why didn’t I think of that” moments.

Everyone (yes...everyone!) looks for fabulous kitchen decorating ideas – and designer Rebekah Zaveloff is selling them. Cheap.

Pure genius was her decision to start designinabag.com, which offers material samples for your cabinets, counters, and tile as well as paint selections (geez – let’s not forget to mention the 3-D images of what it will all look like when it’s put together.)

For about \$100, you receive a perfectly coordinated look. It’s like Garanimals for your kitchen! (Oh...am I dating myself??) Who cares. It is! It’s like Garanimals for your kitchen – or bath. Yes...they have bath selections, too. (Although, truth-be-told, I think the kitchen samples are more fun!)

This totally goes down as another Frugal Find. Forget the pricey Interior Designers. Forget the costly mistakes of picking out the wrong everything. Kitchen decorating ideas in a bag. Seriously. Why didn’t I think of this??

Check out the designinabag.com site and then let FDG know which grouping is your favorite. Mine is Le
